Permittees who receive **only tax-paid cigarettes with Wisconsin cigarette stamps affixed** must complete this report on a quarterly basis and file it with the Wisconsin Department of Revenue. The report is due on or before the 15th day of the month following the end of the quarter and must be filed even when you do not have any transactions during a quarter. A \$10 penalty applies to each report that is filed late. Keep a copy of this report in your records for at least 4 years. **Express all purchases in single cigarettes not packs or cartons.**

A "multiple retailer" permittee (CMR or FCMR) must also prepare a separate report for each store location in Wisconsin. The reports must be attached to a cover sheet listing the following permittee information: Wisconsin seller's permit number, store name (d/b/a), address, and cigarette total for the quarter.
